(Print name of parent/legal guardian)

(Print name of athlete)

I understand and agree:

- Full tuition payment must be received by June 15, 2024 to receive the tuition discount.
- Siblings receive a 10% tuition discount after the highest level athlete in the family pays full price.
- Payments are due monthly on your selected date of the 5th, 15th, or 20th.
- I understand that my uniform will not be ordered until I make my first monthly payment.
- Practices may be canceled due to holidays, competitions, or inclement weather, and no refunds will be given.
- I am required to put a credit card on file for tuition charges.
- Any rejected payments will result in a \$50 charge for each occurrence.
- I am subject to a late fee charge of \$50/month if my payment is more than 5 days late.
- If payment is not received for more than 10 days after the due date, I understand my athlete will be required to sit out of activities until the account is made current on all overdue payment plans.
- I understand that if I choose to leave my team during the season, I will be charged a penalty fee of \$350. I will not be forced to pay this fee if I have a medical injury with a doctor's note that forces me not to perform or practice; or if my family were to get relocated more than 100 miles away.
- Titanium reserves the right to remove athletes from the program if their financial obligation is not upheld. Athletes with past due balances that exceed 30 days may not participate in private lessons, classes, and/or team practices/competitions until the account is brought current. Past due balances could lead to dismissal from the team and balances that exceed 120 days will be sent to a third-party collection agency for which charges will apply, and the parent will be solely responsible for the total amount.

I understand and agree to this financial agreement.
